FFA

The Gruver FFA has made various improvements in the shop this year. This year at District contest we had many teams such as parliamentary and skills teams. The Junior skills team placed first in district and went to Area. At our district FFA banquet, our chapter sweetheart, Suzanne Hart, won the sweetheart contest and she is now going to area. The Chapter will attend many shows and contests but the main ones are Houston, Amarillo, and county.

GRUVER HIGH SCHOOL BAND

Band Council

Three superior ratings were handed Damon Ladd, director of Gruver's Greyhound Marching Band after they participated in the UIL contest at Canyon this year. The sixty-two member "Pride of the Golden Spread Marching Band" was led by drum major, Marva Winger. Three twirlers and six flag girls added flash and class to the overall picture. Sweepstakes are our goal as we look forward to playing in concert competition in the spring.

Girls Varsity Basketball

The 1981-82 girls' basketball team consists of nine hard working girls. The girls are striving hard to build a team. This year the players are very young. The team consists of three seniors, two juniors, two sophomores and two freshmen. As can be seen the team is very young so we will be looking forward to a great girls' basketball team in years to come.

It sure was fun being in your class since 4th grade when you moved here. You are good-lookin and will go far if you keep your smarts and don't let your good looks go to your head. (Like some people.) Good luck next year and have fun this summer.

Love, Mark

P.S. You got my vote for cheerleader.

Joby

So you're finally going to be with the big people next year as a Freshman. Just behave yourself and you will do okay. Keep up the good work in athletics and take care of yourself. See Ya Next year

Kent

Joby,

I've enjoyed being in your class this year, but I hope you move during the summer (Not Really) hope to see you during the summer if your lucky

Love,

-Joby-

how are you doing, I don't know if you know me or not. I'm glad you've made it through Jr. High. Sorry I won't be in high school to see your class. I think you made a nice cheerleader. You knew me because I go by you when I go to the bus. Best of wishes in High School.

Love,

Kevin Bremer

Joby,

This is a little late, I realize. But I guess better late than never. Just wanted you to know that you're a cool chick and a good friend. I'm glad you and Lori are friends, that's given us a chance to go eat pizza and stuff and I always have a good time. I better go.

Love,

Stacy

Well Joby - it's almost summer. Have fun. It's been great being in your class. Good luck with Dalton. (Just kidding)

I wanted to say something
romantic but I couldn't
think of anything (Ha Ha). Really
though, I'll always remember
the day you & Dala stepped
right in front of Rodney who
was right in front of me.
I was pretty upset there
for a while. Keep on
having fun and don't
try too hard in any-
thing. Take it easy
